EXPERIENCE

Freelance, Rogers, AR — *Motion Designer*

October 2024 - PRESENT

I have worked with many local and national brands bringing their creative ideas to life in the digital space. I had assisted Onyx Coffee Lab in winning a Webby award, expanded creative teams' capabilities, and brought forward innovative creative ideas for branding and marketing. Some of the companies I have worked with as a freelancer is:

- Onyx Coffee Lab
- Sovda
- Designsteins

Designsteins, Rogers, AR — *Motion Designer*

Feb 2023 - October 2024

At Designsteins, I am in charge of the digital video department. I lead all projects that range from editing corporate style videos to full 3D animated commercials. Some of the companies I have worked with at Designsteins is:

- Duracell
- Kimberly Clark
- Coca-Cola

MutinyFX, Bentonville, AR — *Visual Effects Generalist*

May 2019 - Feb 2023

At MutinyFX, I am a generalist in the vfx pipeline. I work in every aspect of the vfx pipeline from data acquisition from set to final compositing. At MutinyFX, I have worked on projects for:

- Netflix
- Universal
- Disney
